On 17 Oct you will have 4 hours of EMISY.

The lab is 4 hours, every second week (interlaced) in rroups of max. 12 students.

Group P8 starts 30.10 (8:15), groups N8 and NP12 start 6.11 (8:15 and 12:15).

The group NP12 has irregular schedule (06.11/20.11/27.11/11.12/8.01/22.01, marked with \*), as we alternate with ECONT lab.

Note that 2 Jan 2007 is declared “Monday”, thus we have LAB, not lecture then.

On Jan 09 2007 we have 4 hours of lecture, starting at 12:15 (instead of EMISY lecture).
